**UNITED STATES BANKRUPTCY COURT
WESTERN DISTRICT OF MICHIGAN, SOUTHERN DIVISION**

IN RE: Helen Hyatt

Case No.:

Debtor(s).

_____ /

ASSET PROTECTION REPORT

By local rule of this Court, debtors filing Chapter 7 petitions and debtors in cases converting to Chapter 7 must file an Asset Protection report giving information about the status of insurance coverage on assets in the estate. The following page shall be completed with the following information: (1) description of the asset and location; (2) the debtor's insurance agent for the asset, or if none, the insurance underwriter; (3) the policy limit of the policy with respect to the asset; (4) the expiration date of the policy and (5) if the asset is secured, the name of the secured party and whether the debtors insure the interest of that party. If the debtor has sufficient insurance coverages to protect any exemptible interests in real or personal property or does not wish the trustee to use estate funds to procure such coverages, the debtors may sign the waiver below.

Debtors are requested to provide the trustee with copies of all insurance policies and/or declarations representing each insurable asset within fifteen days of the filing of the petition.

REQUEST TO TRUSTEE NOT TO INSURE EXEMPTIBLE ASSETS

I, the debtor who has signed below, state that I intend to provide insurance protection for any exemptible interests in real or personal property in this estate, and I request that the trustee not expend estate funds to procure insurance coverage for our exemptible assets.

Dated: September 17, 2010
